Marudayar Scheme

* 58 *Q.*—SRI T. R. RAMAMIRTHA THONDAMAN (on behalf of SRI S. RAMALINGA PADAYACHI) : கனம் பொது மராமத்து அமைச்சர் தயவுசெய்து கிழ்க்கண்ட கேள்விகளுக்குப் பதிலளிப்பாரா—

(அ) திருச்சி ஜில்லா, மருதை ஆறு திட்டம் எடுத்துக் கொள்ளப்பட்டதா ?

(இ) ஆமென்றால், அதை பூர்த்தி செய்ய எத்தனை ஆண்டுகள் செல்லும் ?

(உ) இல்லையென்றால், கைவிட்டதின் காரணம் என்ன ?

THE HON. SRI P. KAKKAN : (*a*) No, Sir.

(*b*) Does not arise.

(*c*) This scheme has been proposed for inclusion in the Third Five-Year Plan and it is now under investigation.

City Civil Court Judge

* 59 *Q.*—SRI T. S. RAMASWAMI : Will the Hon. the Minister for Finance be pleased to state—

(*a*) the total remuneration of the City Civil Court Judge, his pay, dearness allowance and other allowances; and

(*b*) the total remuneration of the Government Pleader in the High Court?

THE HON. SRI C. SUBRAMANIAM : (*a*) The scale of pay of the City Civil Court Judge is Rs. 1,100—50—1,300—1,300—60—1,600—100/2—1,800. He is not eligible for any allowances.

(*b*) The Government Pleader, High Court, Madras, is paid a monthly retainer of Rs. 300. He is also paid fees for appearance in cases according to the scale prescribed in the Standing Orders.

SRI T. S. RAMASWAMI : May I have an idea about the average monthly remuneration of the Government Pleader?

THE HON. SRI C. SUBRAMANIAM : I do not have the figures. I do not think it will be possible to give the figures also. It depends upon the number of cases conducted.

SRI S. LAZAR : So far as the scale of pay or retainer fee for Government Pleader and Public Prosecutors in the entire State including those in mufassal, are concerned, may I know when these were fixed? Has it not been fixed before a long time? If so, will the Government consider the question of reconsidering the matter and revising the scales in consonance with the general increase in the scales of pay of others?

THE HON. SRI C. SUBRAMANIAM : This is only a retainer fee. The retainer fee is paid to the Advocate-General, Government Pleader and Public Prosecutors. The scale of fee depends

upon the number of cases done and also the nature of the cases done. Therefore I do not think there is need to revise the scale of retainer fee that is being paid now.

SRI M. KALYANASUNDARAM : இந்த வக்கீல்களுக்கு ஆபிஸ்கள் நடத்துவதற்கு என்றோ அல்லது வேறு எதாவது அலவன்ஸ்கள் கொடுக்கப்படுகிறதா ?

THE HON. SRI C. SUBRAMANIAM : I do not have the information

SRI N. R. THIAGARAJAN : ஆயிரம் ரூபாய் சம்பளம் வாங்கிய அதிகாரிக்கு 300 ரூபாய் குறைந்த சம்பளமல்லவா ? ஆகவே, இவர்களது சம்பளத்தை அதிகப்படுத்த சர்க்காருக்கு உத்தேசம் உண்டா ?

THE HON. SRI C. SUBRAMANIAM : இந்த சம்பளத்தைத் தவிர, கேஸ் நடத்துவதற்கு என்று வேறு தனியாக பீஸ் கொடுக்கப்படுகிறது. சில மாதங்களில் குறைவாக கிடைக்கலாம், சில மாதங்களில் அதிகமாக கிடைக்கலாம், சில மாதங்களில் ஒன்றுமே கிடைக்காமலும் போகலாம்.

SRI S. LAZAR : As the Hon. Minister pointed out the fees is fixed on the number of cases conducted by the Government Pleader or the Public Prosecutor as the case may be. Is it not a fact that the scale of fees under the Legal Practitioners' Act was passed long ago and the fees remain constant without undergoing any change in spite of the various changes in other fields of activities?

THE HON. SRI C. SUBRAMANIAM : This would also affect the scale of fees to be paid by other litigants. I do not think there is case for revising the scale of fees generally as the fees to be paid would vary in respect of litigation.

Nylon fabrics

* 60 *Q.*—SRI A. A. RASHEED :
SRI S. M. ANNAMALAI : } Will the Hon. the Minister for Revenue be pleased to state whether the Government hospitals in the Madras City have reported any cases of skin disease due to the use of nylon-fabrics, plastic materials and lip-sticks?

THE HON. SRI M. A. MANICKAVELU : Only one case of contact dermatits due to nylon socks was treated in the Government Stanley Hospital, Madras, during 1959.

SRI A. A. RASHEED : May I know, Sir, whether the attention of the Government had been drawn to the statement made by the Union Minister for Health that skin diseases are caused by using plastic materials. and if so, may I know whether research nas been conducted into that?
